Dear Mr. Stebbins, I've been retained by Facebook in connection with the above action. At the moment, the operative complaint is your September 17, 2021 Second Amended Complaint which has not yet been served on Facebook to the best of our knowledge. It is for that reason that default was entered against Facebook in error. We're amenable to accepting service of the Second Amended Complaint conditioned on our working out a reasonable timetable for Facebook's response and, of course, undoing the erroneous entry of default. If this is acceptable to you, I suggest that we extend Facebook's deadline to respond to the Second Amended Complaint to 15 days after all individual defendants are served (i.e., the same timetable you have worked out with Alphabet's counsel). If that works for you we'll pull together a draft stipulation in the morning.

Also, please let me know if you have availability for a call tomorrow to discuss the case generally.

I look forward to hearing from you and to hopefully speaking with you in the near future.

Best regards, Joe Petersen
